THE SURVIVOR LEAGUE RULES:

This is a mixed league, consisting of 4 bowlers per team.

Teams can be any combination of men and women.

The handicap is 90% of the difference between a bowlers average and 200.

This league shall bowl 13 weeks. The league fee is \$30 per week.

Each week, a bowler survives on "The Island". The "SURVIVOR" gets \$400; 2nd place-\$100; 3rd place-\$75; 4th place \$50; 5th place \$25 (\$650 taken out)

The money will be awarded at the end of the season to the sole survivor!

If you are not a member of the league by week 4, and do not have an established average, you may bowl as part of a team but not part of the Survivor. Elimination starts the 4th week. After the 4th week, 17% of the bowlers who bowl the lowest series based on their individual average, will be eliminated. As an example, if the league starts with 48 bowlers, after week 4, the survivors will be 39; after week 5, the survivors will be 33, etc. The final night of bowling, there will be 5 survivors. These 5 bowlers will compete in a 1 game roll off to determine a winner. They will be seeded on their overall pins over average total, accumulated over 10 weeks.

Bowler 5 will play bowler 4; the winner of that match will bowl bowler 3; the winner of that match will bowl bowler 2; the winner of that match will bowl bowler 1, which will ultimately determine the SOLE SURVIVOR!

The regular prize fund will be disbursed in the usual manner, based on team standings.

There will be a 10 pin drop rule from Winter 21/22 or entering avg. will be used.
